No. TT.2. 819/50 dated 3-6-50.

Sir,

Subject: Agricultural Department--Lorry MSC 9592--Mangalore--Repairs--Sanction requested of.

Ref: G.O. Ms. 1538 Development Department dated 15-4-46.

....

In G.O. cited above, the Government sanctioned the purchase of 40 lorries from Thompson Disposals in April 1946 for the use of the transport work of seeds, manures etc. connected with the Grow More Food Campaign, in this Department.

2. Of these lorry MSC. 9592 was allotted to Mangalore in South Canara District. This vehicle has been performing heavy transport duties in the Distict since 1946, without any major repairs.

3. The Area Transport Officer, who inspected the vehicle in August 1949, recommended replacement of certain spare parts of the vehicle and re-painting the body and chassis.

4. As there is only one vehicle in each District and as any delay in executing the repairs will result in keeping the vehicle off the road and the consequent handicap in the district transport work, these repairs have been attended to urgently in anticipation of the Government sanction, of the expenditure.

5. The firm has submitted the bills for the repairs amounting to Rs. 578-13-3 as under:-

Cost of spare parts replaced.	Rs.	212 5 3
Labour charges.		366 8 0
TOTAL.		578 13 3

The Area Transport Officer, who scrutinised the bills has certified that the rates quoted are reasonable and hence can be paid.

6. I therefore request that this expenditure of Rs. 578-13-3 towards the repairs to the lorry may be sanctioned and also my action in having carried out the repairs in anticipation of Government sanction of the expenditure, may be ratified.

7, Necessary provision will be made in my budget for 1950-51 under 40.F. Agricultural Engineering. 4. Contingencies--Maintenance and upk ep of lorries.

JOINT DIRECTOR OF AGRICULTURE.
